Left panel callouts

2.0-inch QVGA TFT LCD Main Display
Using new In-Plane Switching (IPS-LCD) technology, the internal LCD delivers brighter, more colorful images with excellent contrast and superior wide-angle viewing.

New Compact Design
Katana II features a compact and narrow design, making it lighter and perfectly shaped for your hand.

Increased Memory Capacity
With 21MB of Total Wireless Downloadable Memory capacity, the Katana II lets you download more games, more ringers and more applications.

Camera with Digital Zoom
Dedicated internal and external camera keys

1.0-inch TFT LCD Sub Display
Caller ID (Number/Picture), clock and battery display.

Dedicated Speakerphone Button
15mm rear-ported speakerphone.

User-Friendly Keypad
Tactile, illuminated keys make it great for dialing and text messaging.

Standard Headset Jack
Standard 2.5mm headset jack; no adapter required.

New Easy-to-Use Battery
One-piece, integrated battery is easy to install and remove.

Bluetooth® Wireless Technology
Supports wireless headsets, hands-free car kits, dial-up networking (Phone as Modem), and vCard transfer.

Power Save Mode
Katana® II gives you the option to maximize talk time using the Power Save Mode. In this setting, the LCD backlight and keypad light are dimmed when a call is initiated, saving power.
