SANYO

SCP-2400

■ Walkie-Talkie-Style Communication

With Sprint PCS Ready Link®, the SCP-2400 provides quick, two-way walkie-talkie-style communication anywhere on the nationwide Sprint PCS network.

■ SANYO Speakerphone

The 24mm, high-quality SANYO speakerphone enables hands-free conversations. A dedicated one-touch speakerphone button provides quick and easy operation.

■ Phone as Modem Feature

Using an optional USB cable, Sprint PCS Connection Manager software (available for download from Sprint.com), and the required Sprint PCS Vision® service plan, the SCP-2400 can be used as a modem for your laptop computer, allowing you to check email or browse the Internet from anywhere within Sprint coverage areas.

■ User-Friendly Features

Internal Color Display
Vibrant 65K-color LCD display

Illuminated Keypad
Easy to read in low light

Voice-Activated Dialing
Program up to 30 voice-activated contact entries

External Sub Display
Large external LCD shows Caller ID, clock time, and battery display

Dark Bronze
True Blue
Midnight Black
Misty Rose
Silver Sky

Parental Control

The SCP-2400 allows parents to set some limits on their child's phone use. With an easy-access menu, parents can:

- Restrict Incoming and/or Outgoing Calls to Contacts only
- Lock or Unlock Ready Link and/or Sprint PCS Vision (Web and downloads)
- Input up to 3 "Special Numbers" that are always available to call or receive calls from
- Lock Contacts list

Sprint Wireless Backup

The SCP-2400 supports a new optional service from Sprint that automatically stores a backup of your contacts. Each time you edit your contacts, the changes are wirelessly saved to a secure Sprint web server.

If your phone is lost, stolen or replaced, you can quickly restore all of your contacts. Also, your contacts can be managed online at www.wirelessbackup.sprint.com.

Wirelessly backup all of your contact information

Manage your contact information online
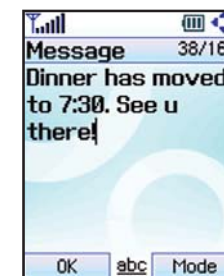

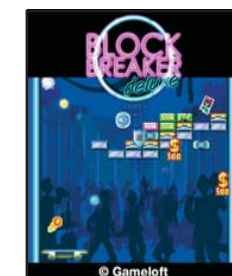

Games, Ringers, Messaging, & More!

The SCP-2400 supports Sprint PCS Vision® services, providing a wide selection of optional features.

2-way SMS, E-mail, IM, Voicemail
