1 General information

These products contain keys for DRM protection which are locked to the specific PCB.

All units contain the Sony Ericsson keys.

Vodafone models and DPYs have their own key which means that they must be handled in a separate flow.

The DPY/Z for these products only contains Latin keypad from factory but they contain all DRM keys!

1.1 Service Information released on CSPN

SI	Date	Header
14750-56737	2006-09-18	SI - K800/K610/V630/K790/K618, Activation
